

Data Sheet

Code: Ac 7522 94

Brand: MICOM CONTROLLER

Model: RTC-550

Year: 1994

Description:

Mold Control Unit: 1 zone

microcontroller: RTC - 550

output voltage: 230 V

temperature range: 0-400 ° C

All the mentioned technical data are merely intended to describe the item, they are subject to change without any notice and refer to the standard conditions of a new good. A used good might not have the same figures as the new one.
