

## Data Sheet

**Code:** Ac 8190 12

**Brand:** SIMCO

**Model:** EMC 30 N

**Year:** 2012

**Description:**

*Electrostatic charge generator*

*Electrodes not present*

*Max. Power consumption: 240W*

*Output voltage: 0 - 30 kV DC*

*Max. Output current: 5 mA*

*Maximum output power: 150W*

*All the mentioned technical data are merely intended to describe the item, they are subject to change without any notice and refer to the standard conditions of a new good. A used good might not have the same figures as the new one.*
